MindPal

Junior Digital Marketing & Web Specialist

SEO · Landing pages · AI tools

LOCATION	COOPERATION	COMPENSATION
On-site, Gliwice	Contract of Mandate	31,40–40,00 PLN gross/hour

Develop practical skills in website marketing, landing pages, SEO, paid campaigns and AI-powered tools on real projects in the IT and AI space.

1 Scope of Cooperation

- Website content and landing pages (Lovable, Webflow, Framer)
- SEO, keyword research and website optimization
- Google Ads and other paid campaigns
- Monitoring website and campaign performance
- AI tools for research, content and testing

2 What We're Looking For

- First experience or strong interest in digital marketing, SEO or paid campaigns
- Basic understanding of SEO and digital marketing
- Interest in website optimization and conversion
- Comfortable with AI tools and new technologies
- Good English, proactive and eager to learn
- Nice to have: GA4, Search Console, Google Ads, GTM, Canva

3 What We Offer

- Hands-on experience with real website and marketing projects
- Skills growth in SEO, landing pages, analytics and ads
- Team support and knowledge sharing
- Space to test new tools and ideas
- Sports and medical package on preferential terms
