EXAM STRUCTURE AND MAIN FEATURES

LTE Writing is a 1-hour test that you will take under the supervision of the exam administrator (proctor) online. You will write two passages, one communicative message of approximately 60-100

words and an extended piece of test in the form of a brief report, article or review. The test's purpose is to verify your ability to produce writing about workplace matters. You will be asked to demonstrate proper level of grammar and vocabulary and coherent text organization.

APPLICATION of the LTE A1-C2 exam, why take LTE

LanguageCert Test of English (LTE) certificate will get you invited into a job interview faster! Recruiters from all over the world trust LanguageCert certifications and having any Certificate in your portfolio is always better than any 'declaration' of your English knowledge. Speaking in the English language is a very important skill at every turn of your academic and professional career.

Help recruiters find and recruit you faster! LTE was designed to prove your 'English survival skills' in a working environment. You always pass the exam, your score is determined by your correct answers in a very modern, adaptive test format.
